Health Care Facilities pose significant challenges:

- **People and Equipment Safety and Security**
- **Fire Label Conditions**
- **Protection Against Fire and Smoke Hazards**
- **ADA Requirements**
- **Locking Convenience / Electrified Hardware**
- **Quality, Style, Finish**
- **Key Control**
- **High Maintenance, High Abuse**
- **May be Part of Another Complex** – Nursing Home, University, Institution, Hotel

At Builders' Hardware and Specialty Company, we put the whole package together. If your project requires quality products, service, installation, delivery, and a team of specialists with industry specific product knowledge, choose Team Builders' Hardware.

Builders' Hardware offers the most complete line of architectural doors, door hardware, door frames, and specialty products in the nation. If you couple that with the most friendly customer service in the market you get a win-win solution, but we know that's only part of the job.
